The fresh appeal of modern battens. Castelation® and Castelation[®] Screenclad, both in Western Red Cedar, are partner products from Cedar Sales. Both profiles complement contemporary design trends in commercial and residential buildings. Continuous channels and shadowlines achieve a multi-dimensional batten look that is efficient and reliable.

Features and benefits

- Interlocking profile gives consistent alignment and integrity
- Specially designed interlocking tongue allows for secret fixing
- 26mm thick profiles that are interchangeable with:
- Castelation[®] Stepped Expression o Rib Clad
- Castelation[®] Rough Stack Diamond Clad
- Perfectly straight lines and shadows
- Single piece 'batten' look means installation is efficient and uncomplicated
- Available in one standard width and three standard thicknesses
- Improved Green Star rating with FSC[®], PEFC and GreenTag^{CertTM} Certification.
